The Fingerprint Society

Founded in 1974, The Fingerprint Society is an internationally recognised organisation dedicated to the continuous advancement of fingerprints in the field of personal identification, and the dissemination of new and important developments within the worldwide fingerprint community.

With membership drawn from over 30 countries including:

Australia
Hungary
Malawi
South Africa
Sri Lanka
Sweden
Russia

The Fingerprint Society is ideally placed to encourage and facilitate contact between the many fingerprint personnel throughout the world.

The Fingerprint Society

What are the Benefits?

- Membership of an internationally recognised organisation.
- A quarterly journal 'Fingerprint Whorld' sent to your home or workplace. 'Fingerprint Whorld' contains articles on all aspects of fingerprint identification, new and important developments, case studies, employment vacancies and members correspondence.
- Access to the 'Fingerprint Society' Website containing news, discussion, employment vacancies, merchandise and links to other sites of interest.
- Attendance at the annual two-day Conference where you can hear international speakers and socialise with colleagues from around the world. Past venues for the conference have included Tulliallan Castle in Scotland, Brighton, Cardiff, Liverpool and Washington DC.
